## GIRL SCOUTS

### DAISIES

#### 3 Cheers for Animals

During this journey, the scouts will learn how animals are cared for. They will be able to link how they would care for their own pets to how wild animals are cared for in nature and at the zoo.

#### Make the World a Better Place

During this journey, the scouts will learn how zoos have helped the world through conservation.

### BROWNIES

#### Bugs

The girls will explore the world of bugs and learn more about these little creatures that do so much.

#### Pets

Brownie scouts will use this badge to learn how to choose the pet that's right for them, and make sure it stays happy and healthy.

#### Senses

The scouts will learn how the zoo's education animals use their own senses to guide themselves through their surroundings.

#### Inventors

In this workshop, the scouts will learn how zoo exhibits are built and the guidelines required to complete them.

### JUNIORS

#### Habitats

The scouts will learn more about wild animals and how to protect the different animal habitats.

### CADETTES

#### Animal Helpers

In this badge, the scouts will learn the different ways animals help humans, and will explore the connections that we share.

## BOY SCOUTS

### TIGERS

#### Tigers in the Wild

Hike around the zoo to identify the different animals that you see while remembering the "Leave No Trace" principles.

#### My Tiger Jungle

As the scouts walk through the zoo, they will be able to identify animals through sight and sound. See what else they can find on their 1-foot hike.

### WOLVES

#### Call of the Wild

Following the "Outdoor Code," scouts will walk the zoo to identify animals and learn how we prevent the spread of diseases.

#### Paws on the Path

Hike around the zoo to identify animals, plants, and insects while following the buddy system.

### BEARS

#### Furs, Feathers and Ferns

See how many endangered animals you can find while walking through the zoo, and discuss what could make them extinct in the future.

### WEBELOS

#### Walkabout

The scouts will follow leadership roles as they hike around the zoo to identify the more dangerous animals on exhibit. Some might surprise you.

#### Engineer

In this workshop, the scouts will learn how zoo exhibits are built, and the guidelines required to complete them.

## ADDITIONAL ACTIVITIES

We also have plenty of other things that your group can do here during your day! We can add any of these activities to your program trip for discounted rates.

**Giraffe Feedings:** \$3 per person

**Bison Feedings:** \$3 per person

**Birds of Paradise:** \$2 per person

We are also the home of **Treetop Adventures**, Pennsylvania's only zip line course that flies guests over animal exhibits! Many scout groups enjoy our fun and challenging courses, and your activity may count toward additional badge requirements!

Pair your daytime scout adventure with our ZooSnooze camp out for extra fun! Visit [ZooSnooze.com](http://ZooSnooze.com) for current dates and more information.
