

SENSORY GUIDE

CERTIFIED AUTISM CENTER

Elmwood Park Zoo is the first zoo in the world to become a Certified Autism Center (CAC). This designation, given by the International Board of Credentialing and Continuing Education Standards (IBCCES), is awarded to organizations that have completed a training and review process with the goal to better serve individuals with autism and other sensory needs. Elmwood Park Zoo welcomes guests of all ability levels and strives to ensure all of its visitors experience a memorable visit.

SENSORY GUIDE

Our Sensory Guide is available to assist you and your family in identifying exhibits and attractions that meet your sensory needs. Our scale features ratings for sound, touch, smell, sight, movement and complexity.

Sound

Amount of noise or sound you will hear

Touch

Amount of stimulation your skin will feel

Smell

Strength of odor you will smell

Sight

Amount of lights and sights you will see

Movement

Amount of movement for your body will feel
OR amount your body needs to move

Complexity

Amount of directions you will read or follow

GIRAFFE FEEDING

Guests can hand-feed giraffes from one of two observation decks. Our giraffe-feeding area has an elevated deck/platform that requires walking up a flight of stairs, as well as a lower deck that is wheelchair accessible.

CAROUSEL

Take an enchanting spin our carousel. Children under 42" must be accompanied by a person 14 years of age or older and ride on the inside row. Infants must be accompanied by a responsible person 14 years of age or older and must ride in a bench seat. This ride moves slowly in circles and has bright lights.

PERCUSSION GARDEN

The Thomas Kimmel Percussion Garden combines the joy of making music with the fun of a playground. Oversized drums, bells and xylophones make it easy for even the youngest musicians to create a beautiful composition. This area can be very loud.
